

# Winter 2021 Schedule

## Online Art Classes

### SKETCHBOOK DRAWING IN A PANDEMIC

Respond to creative prompts, compositional and other ideas to create a sketchbook journal that can become the basis of an ongoing practice. Using inexpensive materials, this pandemic-friendly project can be done in even the smallest home space to build drawing skills and spark creativity. Group discussion, demo and critique develop critical thinking and build community. Combines socially distanced or independent outdoor sketching with group Zoom sessions.

## Online Writing Classes

### BUILDING A WORLD FOR STORIES AND GAMES

Solid worldbuilding is what draws us into good stories and keeps us believing the world we're immersed in. We'll spend these weeks going over the various aspects of worldbuilding and how to approach them to create a fully fledged world.

Rebecca Demarest \$149  
6 Thurs, 7pm - 9pm Online  
1/28 - 3/4 C541

### HOW TO WRITE SHORT STORIES

If you love reading short stories and want to write them, this class is for you. We'll examine jaw-dropping short stories and what makes them tick. We'll try writing our own short fiction, learning idea generation techniques, experimental story formats, and revision tips to make your stories gleam. Then we'll learn how to get published. Students will leave this class with at least 3 new short story ideas, a cover letter for submitting stories to publishers, and a critique of a story up to 5000 words from the instructor, author G.G. Silverman. See website for a list of supplies.

G.G. Silverman \$149  
6 Weds, 7pm - 9pm Online  
1/20 - 2/24 C533

### LEAN MEAN EDITING MACHINE

If you've been writing short stories, and want to polish them for publication, please join us. Author G.G. Silverman will take you through her proven editing process that makes her stories so attractive to publishers, and helps her win awards. Bring a copy of a rough draft of a short story to class, and in 4 weeks, you'll be putting these concepts into practice, and will finish the course with a tightly revised story. See website for a list of supplies.

G.G. Silverman \$99  
4 Sun, 3pm - 5pm Online  
1/17 - 2/7 C523

### SPACESHIPS AND DRAGONS

Whether you write in space or with magic, or some combination of both, this is the class for you! Equal parts idea generation and workshopping, we'll dig into what makes speculative fiction come to life on the page.

Rebecca Demarest \$149  
6 Tues, 7pm - 9pm Online  
1/26 - 3/2 C540

### WEAVING TOGETHER CREATIVE NONFICTION

Everyone has interesting stories, perspectives, and experiences that would be great for creative essays. This class will provide tools, techniques, styles, and formats to help you craft your own nonfiction pieces and edit them into publishable shape. You will leave the course with at least two starter essays and a critique of writing up to 4000 words from author Caleb Tankersley.

Caleb Tankersley \$149  
6 Weds, 6pm - 8pm Online  
1/13 - 2/17 C525

## Home, Health & Hearth Classes

### BEGINNING BRIDGE

You've probably heard of it, but do you know how to play Bridge? Students will develop basic game skills and learn strategies to play bridge in a casual atmosphere including play of hand, defense skills, basic conventions, and proper scoring. This is a great opportunity to build strong connections and gain the ability to compete at local, state, and national tournaments at the beginner level.

### DIVORCE PLANNING

Are you planning for divorce after many years of marriage? How do you divide your assets, the pensions and retirement accounts in a fair and equitable manner? Are you planning a divorce and have a special needs family member? Qualified local professionals with a wealth of experience will help give you the knowledge, support and resources that you need to survive the process and move with confidence toward a new life. This workshop is designed to help everyone in any stage of untying the knot. Take charge by becoming informed.

### EMBROIDERY FOR BEGINNERS

Feeling cooped up and isolated? Missing the camaraderie of fellow crafters? Never held a needle before but need to let out some steam in a socially acceptable way? Come express your joys, frustrations, or favorite quotes through stitching and create a hand-crafted piece of art! In just four weeks, you'll learn the fundamentals of embroidery, including how to choose the ideal fabric, ways to transfer a design, and how to finish and secure the back of a hoop. Join facilitator Tricia Karsky as you work through four main stitches and embroider a landscape design featuring a saying of your choice. Puns and sassy phrases welcome! Please note that the cost of the course includes a basic embroidery kit that will be delivered to participants prior to the first class.

### HOMESCHOOL NUTS AND BOLTS

Interested in homeschooling but don't know where to start? This course will provide you with important information and, potentially, money-saving resources to effectively teach your child in a personalized way: work with their uniqueness and learning style to develop lifelong skills and a love of learning. Also, successful completion of this engaging, affordably-priced class meets the Washington State legal requirements as a "Qualifying Course" for parents who choose to provide home-based instruction for their children.

### FINGERPRINTS AND FORENSICS: UNDERSTANDING THE BASICS OF CRIME SCENE INVESTIGATION **NEW!**

Calling all armchair detectives! Do you enjoy watching mysteries or shows dedicated to crime scene investigation? If so, this class is for you!

Join facilitator Lynne Dean, a retired Latent Fingerprint Examiner with the King County Sheriff's Office, as she explores how crime scenes are processed for evidence. Students will learn how a forensic fingerprint laboratory works and discuss photographs from real crime scenes. You'll also participate in hands-on exercises at home to give you a true "feel" for working with evidence and discover how to distinguish fact from fiction when it comes to your favorite CSI-style TV shows. Student participation is encouraged.

## Special Topics

### ONLINE PURSUIT LAB: WORKFORCE TRAINING CAMP FOR STUDENTS WITH DISABILITIES

This 10 week Pursuit Lab is designed to help prepare you for the workplace through interviews/resume building and a strength focus approach to career exploration while giving you access to a Virtual Job Shadow platform that houses thousands of videos on different jobs from the comfort of your own home. This Winter class will begin on Jan 11th and end on March 18th running for 10 weeks, 4 days a week from 12:30-2:00pm. The time would be spent on zoom to practice interviewing, self advocacy and job shadowing right from your home. If you're looking for a group of people to get to be in community with while you pursue jobs, college or interests, this is the place for you. This is recommended for students that are with Pursuit for the first time and need extra support to access the Online platform.

Pre- Registration Deadline is December 20th, 2020. The sooner you apply the sooner you will know if you qualify and have a reserved spot in the Pursuit Lab. The final registration date is January 1st.

### ONLINE PURSUIT LAB II: WORKFORCE TRAINING CAMP FOR STUDENTS WITH DISABILITIES

This 10 week Pursuit Lab is designed to help prepare you for the workplace through interviews/resume building and a strength focus approach to career exploration while giving you access to a Virtual Job Shadow platform that houses thousands of videos on different jobs from the comfort of your own home. This Winter class will begin on Jan 11th and end on March 18th running for 10 weeks, 4 days a week from 2:30-3:30pm. The time would be spent on zoom to practice interviewing, self advocacy and job shadowing right from your home. If you're looking for a group of people to get to be in community with while you pursue jobs, college or interests, this is the place for you.

This class is recommended for repeating students and for students who can keep with a faster pace and work independently online.

Pre- Registration Deadline is December 20th, 2020. The final registration date is January 1st.
