RE: Duty to Reapply for the Municipal Stormwater General Permit

Dear Mr. Linder:

Thank you for submitting your Duty to Reapply—Notice of Intent (NOI). I have reviewed your NOI and found it to be complete. You have now fulfilled General Condition G18, *Duty to Reapply*, under your 2007 Western Washington Phase II Municipal Stormwater Permit. You will have continuing coverage under **both** of the following permits which Ecology will issue in 2012:

- **Western Washington Phase II Municipal Stormwater Permit** – Effective from August 2012 to August 2013, without changes from the 2007 permit.
- **Western Washington Phase II Municipal Stormwater Permit** – Effective from August 2013 to August 2018, updated from the 2007 permit.

Your permit number, WAR04-5715, will remain the same for both of these permits.

If you have questions about your coverage please contact me, Rachel McCrea, at rachel.mccrea@ecy.wa.gov or (425) 649-7223.

Sincerely,

Rachel McCrea
Municipal Stormwater Specialist
Northwest Regional Office Water Quality Program
