

**ARTICULATION AGREEMENT BETWEEN
SOUTH SEATTLE COLLEGE
AND
EDMONDS COMMUNITY COLLEGE**

To create a clear and easy pathway for students of Edmonds Community College to transfer to and complete their baccalaureate degree at South Seattle College, the Seattle Colleges and Edmonds Community College enter into this articulation agreement as follows:

1. In order for your students to qualify for the transfer agreement they must:
 - a. Earn Edmonds Community College's Associate of Applied Science Transfer degree in Construction Management
 - b. Have also completed the following General Education credits (*provisional admittance will be granted to students without these classes but they must complete all credits in order to graduate with a Bachelor in Applied Science in Sustainable Building Science Technology*):
 - 5 credits of college-level transferable Visual, Literary, and Performing Arts [Humanities]
 - 5 credits of college-level transferable Natural World [Natural Science] (can be satisfied with PHYS 110 or GEOL 101)
 - 5 credits of college-level transferable Math (equivalent to MATH&107 – Math in Society)
 - 5 credits of college-level transferable English (equivalent to ENGL&101 – English Composition I)
 - 5 credits of college-level transferable Individuals, Cultures, and Societies (equivalent to PSYC&100 – General Psychology, including MGMT100)

Students may take these classes at South Seattle College or at another accredited institution. Transferability of classes taken outside of South Seattle College or Edmonds Community College to meet these requirements will be determined by South Seattle College. Students should consult with their program advisor before taking these classes at another institution.

Students completing an AAS (non-transfer) degree will be reviewed and may be granted provisional admittance conditional upon satisfactory completion of all General Education coursework.

c. Complete the following 90 credits of upper division coursework:

Course Number	Course Title	Credits
	Upper Division Core	60
SBST 301	Building Science	3
SBST 302	Building Components and Systems	2

- d. Achieve a minimum cumulative grade point average of 2.5
- e. Meet the admissions criteria for South Seattle College in effect at the time of their application.
<http://www.southseattle.edu/programs/bas/hospitality-management/admissions.aspx>

- 2. South Seattle College will place students meeting the above criteria in a competitive pool for selection by the admission committee for:
 - a. Acceptance into our Bachelor of Applied Science in Sustainable Building Science Technology degree program;
 - b. Necessary academic advising to meet the program requirements; and
 - c. Transfer as a block of ninety (90) quarter credits for the Bachelor of Applied Science in Sustainable Building Science Technology.

Note: Curriculum/course requirements are subject to change by the Sustainable Building Science Technology program at South Seattle College. Students will be required to meet any new requirements established for the program.

- 3. No financial commitment whatsoever, on the part of either signatory to this general document, is intended and implemented.
- 4. This agreement shall remain in effect for a period of five (5) years from the date of the last signature, with the understanding that it may be terminated by the appropriate authorities of either party in writing with at least 90 days notice. Renewal of this agreement will be based on an evaluation of student success and review of Edmonds Community College's degree curriculum.
- 5. Students are responsible for all necessary documentation to attend the college.
