If approved, most of the tuition and fees charged to non-resident students is waived. Please make note of the following:

- Submit a new application each quarter to the Enrollment Services Office no later than three business days before the start of the quarter.
- You are responsible for paying your tuition on time, or risk being dropped from your classes.
- Complete a minimum of 12 credits, and earn a minimum cumulative GPA (Grade Point Average) of 2.0 for each quarter you receive the waiver.
- Failure to complete 12 credits, and earn a 2.0 GPA makes you ineligible to receive the waiver in a subsequent quarter.
- If you become ineligible, you may petition by explaining any extenuating circumstances that prevented you from successfully completing the quarter. Submit your written statement to the Enrollment Services office no later than three days before the start of the next quarter.

I have read the notes listed above. I understand and agree to the requirements connected to receiving the non-resident co-curricular waiver.
