Hey Tritons,

Here are a few updates and opportunities from your Student Government team this week. Whether you're looking to get involved, attend a meeting, explore volunteer opportunities and join club events —we've got something for you!

Board Meeting:

Attend Weekly Student Government Executive Board Meetings

Every week, your Student Government Board meets to talk about what matters most to students from campus resources to student life and everything in between. This week's agenda includes discussions about the Commencement budget, as well as the Triton Field Fee. These meetings are open to all students, and your input is always welcome. Whether you just want to listen in or bring up something that's been on your mind, there's a seat for you.

- When: Wednesdays | 3:00–5:00 PM
- Where: Triton Student Center (Brier Hall), Room 244

Volunteer Opportunities:

Latino Leadership Initiative

The Center for Student Engagement & Leadership is seeking interested students who want to further develop their skills in community organization and leadership via the Latino Leadership Initiative. This immersive leader training program is a partnership between Edmonds College, the LETI community organization, and students from UW Bothell, WSU Everett, Skagit Valley College, and Shoreline College. It is a great way to build skills, build your resume, and build community!

Program Highlights:

- Open to all current Edmonds College students.
- Empower college students to be civically engaged and participate in service-learning projects within their respective communities.
- Expose and enroll LLI participants in educational and career options.
- Impart theory & application of multicultural leadership skills.
- Increase identity consciousness & cultural competencies.

Apply Today to join our 2026 cohort. Applications are due Dec. 19.

Join The Tenure Committee

Have you ever wondered how the full-time faculty are selected at Edmonds College? The Student Government's excited to announce that we are looking for a student volunteer to serve on the Tenure Committee for faculty members across various departments. Tenure is the process through which faculty members can earn permanent positions at Edmonds College, and your role as a student representative is key! Each tenure committee will participate in meetings, observe a class, and write a report about the observation.

You'll only need to serve once a quarter until the tenure process is complete! This is a great opportunity to get involved, collaborate with faculty, and even add valuable experience to your resume!
