For this year, our Annual Goals are separated into four categories :

1. Outreach & Student Connections Goals = Our main focus for this year, same as last year, we're focusing on increasing awareness of Student Government, expanding Outreach activities and Clubs. Last but not least, the fresh & new goal is to connect more with student parents and adult learners by assessing how to better meet their needs.
2. Internal Operations & Policy Improvement Goals = Make the club funding request process easier and faster.

3. College Systems Improvement Goals = We are working with every department to offer more classes that fit student schedules, Improve transparency and clarity of Housing communications & contracts, Fix or replace broken AV equipment in event spaces at Triton Student Center.

4. Student Services Goals = Ensure ASEC-Funded Programs reach to the students needs as much as possible. Also, improve awareness of Mental Health resources and Lactation & Wellness Room.
