Kyle Gray enters his 8th season as the head men's basketball coach at Edmonds Community College in 2019. He has over a decade of college coaching experience and has coached at all levels from youth teams to high school. Coach Gray has been the physical education teacher at Viewlands Elementary school in Seattle for over 8 years and understands how to teach the game to boys and girls of all ages and skill levels. His coaching staff brings a wealth of experience for the game of basketball. Additionally, the current Edmonds Community College players will help run the camp and mentor your child throughout the week. This is a great opportunity for your child to learn from some of the best players and coaches. The camp will cover all levels of play from kids just starting out, to kids that are getting ready for the high school season. Girls and boys are welcome. No matter what level you are at, the Triton Staff will make sure that every camper gains something in the week they spend with us in Seaview Gym. This camp aligns with our goal to make our program a community program.
