

Licensed Practical Nursing (LPN) Program: Science Series Guidelines

Notes:

This is not an official planning sheet and should be used only to indicate the science sequence.

Please see an advisor each quarter and use this document in conjunction with a program requirement sheet. Class offerings are subject to change.

The LPN program will accept either 5 or 6 credit science courses and Intermediate Algebra courses with course numbers in the 80's and 90's. Please check with adviser for course equivalences.

**Not an admissions requirement for Edmonds CC's LPN program. Complete before third quarter in LPN program.
