**Courses are subject to change without notice. All Running Start courses MUST be pre-approved by your High School Counselor. It is the student's responsibility to ensure selected courses meet High School Graduation Requirements AND the student meets course pre-requisites. This is only a guide and does not replace meeting with your High School Counselor, looking at an Academic Catalog or meeting with College staff.**

**Note:** Some courses may require additional pre-requisites that must be met in order to take the class (i.e. many sciences also require specific math placement). Refer to the Edmonds College Academic Catalog for more details at [catalog.edcc.edu](http://catalog.edcc.edu) and click on "Course Descriptions and Objectives" on the left hand menu.

**CD = Cultural Diversity: All students must take at least 1 CD designated course for college requirement.**
