# Jennifer Cunningham and Amna Janoo Honored with Transforming Lives Award

*Edmonds College's Transforming Lives Award winners, Amna Janoo and Jennifer Cunningham (center), with President Dr. Amit B. Singh (far left) and the Board of Trustees (L to R: Board Chair Adrienne Wagner, David Earling, Wally Webster II, Shinhae Hwang, and Carl Zapora).*

The Edmonds College Board of Trustees named Jennifer Cunningham as the 2023 Washington State Association of College Trustees (ACT) Transforming Lives and Edmonds College Board of Trustees award recipient and Amna Janoo as the Presidential Transforming Lives award recipient.

ACT created the Transforming Lives Awards program in 2012 to recognize current or former students who have been transformed by pursuing higher education at a community or technical college. Cunningham was one of 34 Transforming Lives awardees from across the state selected by each college's respective board of trustees. Janoo is the inaugural recipient of the Presidential Transforming Lives Award.

Cunningham is receiving her Bachelor of Applied Science in Child, Youth, and Family Studies, while Janoo is earning her Associate in Arts.

# Honors List

Students who wear a gold honor cord have demonstrated outstanding academic achievement by maintaining at least a 3.5 cumulative grade point average in 100-level classes or higher (up until spring quarter) while earning a degree or certificate at Edmonds College.

Members of Phi Theta Kappa, recognized as the official honor society for community colleges by the American Association of Community Colleges, may wear a gold tassel or a yellow-gold stole, indicating they have at least a 3.5 grade point average.

## **Additional Commencement Ornamentation**

College departments, programs, or clubs may develop and request approval for a standard recognition symbol or ornament (e.g., pin, tassel, stole) that graduates may wear on their cap or gown during the commencement ceremony.

Graduates who are members of the college's veterans club, the Edmonds College Student Veterans Association, will be wearing red, white, and blue cords.

## Academic Dress

The academic dress worn by the faculty originates from the Middle Ages, when faculty and students wore caps and gowns to stay warm in cold buildings. The distinctive dress, worn daily in American universities until after the Civil War, served to set the scholars apart from fellow citizens and led to the phrase “town and gown.” Such regalia is still worn today by faculty and students in some European universities.

The type of gown and hood distinguishes the wearer by level, academic major, and college or university. The master’s gown is made with long, closed sleeves. The doctoral gown has longer sleeves than the master’s gown, is faced with black velvet from the hem to the neck and back, and contains velvet chevrons on the sleeves.

The doctoral hood is longer than the master’s hood. The colors on the inside of a hood relate to the college or university. For example, the University of Washington’s colors are purple and gold and Washington State University’s colors are crimson and silver. The color of the velvet on the hood depicts the academic specialization as follows:

- **Agriculture** – Maize
- **Arts (Liberal Arts), Letters (Literature), Humanities** – White
- **Commerce, Accountancy, Business** – Drab
- **Dentistry** – Lilac
- **Economics** – Copper
- **Education** – Light Blue
- **Engineering** – Orange
- **Fine Arts, Architecture** – Brown
- **Forestry, Environmental Studies, Sustainability** – Russet
- **Journalism** – Crimson
- **Law** – Purple
- **Library Science, Information Science** – Lemon
- **Medicine** – Green
- **Music** – Pink
- **Nursing** – Apricot
- **Oratory, Communications Studies, Broadcasting** – Silver Gray
- **Pharmacy** – Olive Green
- **Philosophy** – Dark Blue
- **Physical Education, Manual Therapy, Physical Therapy** – Sage Green
- **Public Administration, Public Policy, Foreign Service** – Peacock Blue
- **Public Health** – Salmon
- **Science (Social, Natural and Formal)** – Golden Yellow
- **Social Work** – Citron
- **Theology, Divinity** – Scarlet
- **Veterinary Science** – Grey

# Ahmad Hilal Abid and Shinhae Hwang Recognized on All-Washington Academic Team

*Edmonds College President Dr. Amit B. Singh, Ahmad Hilal Abid, and Shinhae Hwang at the 2023 All-Washington (All-WA) Academic Team awards ceremony.*

Ahmad Hilal Abid and Shinhae Hwang were honored as members of the 2023 All-Washington (All-WA) Academic Team during a ceremony at South Puget Sound Community College in April. The ceremony recognized students from the state's 34 community and technical colleges.

Abid, who emigrated from Afghanistan to the U.S. when he was 17, started the House of Wisdom, a tutoring service originally run out of his garage, to help immigrant and refugee students with school assignments in math and English. He was a 2023 Coca-Cola Academic Team Bronze Scholar, 2022 Governor's Student Civic Leadership Award recipient, and Presidential Student Civic Leadership Award winner.

Hwang has been involved in student government since arriving at Edmonds College. She worked at the Center for Student Engagement and Leadership (CSEL) and served as the financial manager and advisor for the Associated Students of Edmonds College Executive Board. In 2022, Governor Jay Inslee appointed Hwang as the student trustee on the Edmonds College Board of Trustees.

Abid will receive his Associate of Applied Science in Paralegal, while Hwang earned an Associate in Business.

## *Turning the Tassel*

Turning the tassel is the final step in a commencement. Graduates turn the tassel, fastened to the center of the mortarboard, from right to left to signify their new status.
