

58th Commencement CELEBRATION

Friday, June 20, 2025
3 p.m. • 6:30 p.m.

Seaview Hall
19906 68th Ave. W,
Lynnwood, WA 98036

 **EDMONDS**
COLLEGE

Welcome to the 58th Commencement Ceremony of Edmonds College

*Dr. Amit B. Singh,
President of Edmonds College*

To the incredible Edmonds College Class of 2025, congratulations on reaching this pivotal milestone! Your hard work, commitment, and perseverance in the face of a complex world have brought you to this proud moment. Today, we celebrate your accomplishment, but we also recognize the immense potential you now carry.

Commencement is not an ending; it's a powerful launchpad. Now it's time to channel your resilience and drive into shaping the future. Be forward-thinking, be bold in your aspirations, and be the difference-makers our world and community so deeply need.

Edmonds College is dedicated to supporting your lifelong learning, and we are available as you embark on this exciting next chapter, and those that come after. I encourage you to utilize our Career Action Center and other campus resources throughout your career. Your journey of impact begins now, and we at Edmonds College will always be here to support your continued growth.

Congratulations, graduates - the future awaits your vision and action!

Dr. Amit B. Singh

Edmonds College President

Schedule

Processional “Pomp and Circumstance” by Sir Edward Elgar

National Anthem performed by Soundsation

Land Acknowledgment - Dr. Yvonne Terrell-Powell,
Vice President for Student Success, Belonging and Global Engagement

Introduction of Guests - Dr. Roxanne Green, Faculty Representative

President’s Address - Dr. Amit B. Singh

Student Government - Ruth Nakigozi

Student Speakers Speeches

First Ceremony - Cricket Vincent

Second Ceremony - Vy Hoang Thao Nguyen

Keynote Speaker: Brienna Hall

Presentation of 2025 Graduating Class - Dr. Kim Chapman,
Vice President of Instruction

Conferring of Diplomas

Turning of the Tassle - Dr. Singh

Recessional - Walton’s Crown Imperial

Reception - Brier Hall

Accreditation

Edmonds College is accredited by the Northwest Commission on Colleges and Universities and governed by the Washington State Board for Community and Technical Colleges.

Board of Trustees

Board Chair, Carl Zapora

Vice Chair, Courtney Wooten

Trustee Dave Earling

Trustee Adrienne Wagner

Trustee Wally Webster II

Student Trustee, Tasnim Tayiba

Commencement Committee and Volunteers

Special thanks to all those who participated in the planning and implementation of this ceremony and to those Edmonds College employees who made it possible for our students to reach their dreams of graduating from college.

Land Acknowledgement

We acknowledge the Coast Salish Tribes, Bands and First Nations people including the Snohomish, Duwamish, Tulalip, Suquamish, Snoqualmie and many others and their successors, as the original inhabitants of the land where Edmonds College sits and where the diverse communities we serve live, study, and work. Since time immemorial, the Coast Salish peoples have hunted, fished, gathered, and taken care of these lands. We respect their sovereignty, their right to self-determination, and honor their sacred spiritual connection with the land and water. We will strive to be honest about our past mistakes and bring about a future of inclusive indigenous partnerships that includes their families, stories, and voices to form a more just and equitable society.

This acknowledgment only becomes meaningful when combined with accountable relationships and informed actions that support student success and community engagement. This is a first step in acknowledging our history, honoring this land, and sustaining our ongoing relations with Indigenous peoples.

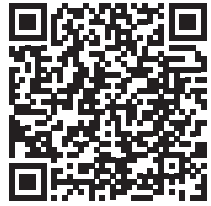

Speakers

Keynote Speaker: Brienna Hall

Brienna Hall, an Edmonds College alumna, is an engineer at AMSL, where she plays a crucial role in maintaining the \$170 million extreme ultraviolet lithography machine—an indispensable piece of technology for producing advanced microchips used in phones, computers, tablets, TVs, cars, and more. Her expertise, highlighted in a Wall Street Journal feature, involves intricate problem-solving and maintenance, akin to a “fancy mechanic,” a skill she honed as a lab technician in Edmonds College’s engineering department, where

she maintained engines and 3D printers. A former president of Edmonds College’s Rocketry Club, Hall developed a passion for materials science and engineering, leading her to Washington State University. As the keynote speaker for Edmonds College’s commencement, Hall aims to inspire others to pursue their aspirations, drawing from her unique journey.

about Brienna!**

First Ceremony Speaker: Cricket Vincent

Cricket Vincent, a Navy veteran, is graduating with an Associate of Arts degree from the Paralegal program and currently works as a paralegal for the Stillaguamish Tribe in Arlington, Washington. She is deeply committed to volunteer work that empowers those in need and has received the Governor’s Student Civic Leadership Award for her efforts as the student coordinator for legal clinics with the Housing Justice Project. Through this initiative, eligible clients receive free 30-minute consultations with attorneys from Snohomish County Legal Services (SCLS) to address eviction and housing issues. Cricket has also

improved the training process for other paralegal students volunteering in the legal clinics. She developed a textbook and an interactive PowerPoint presentation to facilitate training. Additionally, she transformed the training into a 30-hour, nine-week course, allowing students to earn college credit while participating in the clinic. Before attending Edmonds, Cricket served four years as a Navy Avionics Technician, with assignments in Florida, Virginia, and Oak Harbor, Washington. She would like to acknowledge the unwavering support of her husband, Noah Kopitzke, who continues to serve in the Navy and is stationed in Oak Harbor.

Second Ceremony Speaker: Vy Hoang Thao Nguyen

Vy Hoang Thao Nguyen is originally from Vũng Tàu, Vietnam, a port city on a peninsula in the southern areas of the country. She began her academic journey at Edmonds College in the summer of 2019, where she took English Language Acquisition courses. She will graduate with an Associate of Science in Engineering and attend Pennsylvania State University to complete a Bachelor of Science in Materials Science and Engineering. In the future, Vy’s career goal is to become a materials science engineer and further our understanding of detecting

illnesses and viruses, like cancer within the body, utilizing microchips.

Graduating Class of 2025

BACHELOR OF APPLIED SCIENCE

Aguspranoto, Ainsley, BAS: Child, Youth, and Family Studies
Allmendinger, Tom, BAS: Advanced Manufacturing and Materials Engineering Technology
Alnono, Amal A., BAS: Information Technology - Application Development
Altamirano, Kovi L., BAS: Child, Youth, and Family Studies
Boitano, Benjamin, BAS: Integrated Healthcare Management
Burton, Khimani, BAS: Child, Youth, and Family Studies
Cannistraci, Angela, BAS: Integrated Healthcare Management
Chavez, Alba A., BAS: Child, Youth, and Family Studies
Darkwah, Betty O., BAS: Integrated Healthcare Management
Deegan, Megan, BAS: Child, Youth, and Family Studies
Delap, Ashlyn, BAS: Child, Youth, and Family Studies

Academic Dress

The academic dress worn by the faculty originates from the Middle Ages, when faculty and students wore caps and gowns to stay warm in cold buildings. The distinctive dress, worn daily in American universities until after the Civil War, served to set the scholars apart from fellow citizens and led to the phrase “town and gown.” Such regalia is still worn today by faculty and students in some European universities.

The type of gown and hood distinguishes the wearer by level, academic major, and college or university. The master’s gown is made with long, closed sleeves. The doctoral gown has longer sleeves than the master’s gown, is faced with black velvet from the hem to the neck and back, and contains velvet chevrons on the sleeves.

The doctoral hood is longer than the master’s hood. The colors on the inside of a hood relate to the college or university. For example, the University of Washington’s colors are purple and gold and Washington State University’s colors are crimson and silver. The color of the velvet on the hood depicts the academic specialization as follows:

- **Agriculture** – Maize
- **Arts (Liberal Arts), Letters (Literature), Humanities** – White
- **Commerce, Accountancy, Business** – Drab
- **Dentistry** – Lilac
- **Economics** – Copper
- **Education** – Light Blue
- **Engineering** – Orange
- **Fine Arts, Architecture** – Brown
- **Forestry, Environmental Studies, Sustainability** – Russet
- **Journalism** – Crimson
- **Law** – Purple
- **Library Science, Information Science** – Lemon
- **Medicine** – Green
- **Music** – Pink
- **Nursing** – Apricot
- **Oratory, Communications Studies, Broadcasting** – Silver Gray
- **Pharmacy** – Olive Green
- **Philosophy** – Dark Blue
- **Physical Education, Manual Therapy, Physical Therapy** – Sage Green
- **Public Administration, Public Policy, Foreign Service** – Peacock Blue
- **Public Health** – Salmon
- **Science (Social, Natural and Formal)** – Golden Yellow
- **Social Work** – Citron
- **Theology, Divinity** – Scarlet
- **Veterinary Science** – Grey

Two Students Recognized for Outstanding Leadership at 2025 Student Civic Leadership Ceremony

Cricket Vincent

Mayelli Ayala

Two students from Edmonds College were honored at the 2025 Student Civic Leadership Awards, hosted by Washington Campus Coalition for the Public Good, which took place on March 28 at Seattle University. Cricket Vincent and Mayelli Ayala were both selected by President Dr. Amit B. Singh to receive the President's Student Civic Leadership Award. Additionally, Vincent was one of three recipients of the Governor's Student Civic Leadership Award, which includes a \$1,000 stipend, and was presented by Governor Bob Ferguson.

The Student Civic Leadership Awards honor outstanding student leaders from member campuses of Washington Campus Compact in Washington and Idaho for their accomplishments in civic engagement and social entrepreneurship. Of those awardees, Governor Ferguson selects one recipient each from public universities, private universities, and the state's community and technical college system.

Cricket, a Navy veteran, has served as the student coordinator for legal clinics for the Housing Justice Project on campus. The clinics provide eligible clients with free 30-minute consultations with attorneys from Snohomish County Legal Services (SCLS) to discuss issues related to eviction and housing. Cricket has enhanced the training process for more than 30 paralegal students who volunteered in the legal clinics. She developed a textbook and an interactive PowerPoint presentation that mimics the SCLS database. Additionally, she has transformed the training into a 30-hour, nine-week course, enabling students to earn college credit while participating in the clinic.

Cricket's story!*

Mayelli is a first-generation college student and is graduating with an Associate in Biology and intends to transfer to a university's dentistry program. Mayelli has been actively involved in campus activities and has demonstrated leadership throughout her time at Edmonds. As an ambassador for MESA (Mathematics, Engineering, Science Achievement), she dedicated over 300 hours of service. In this role, she has organized internships and answered students' questions about the program, all with the aim of helping them believe in themselves and their potential. She also served as a resident advisor at Triton Court, held a leadership position in the Latinx Student Association, and worked as a tutor with the Services for Students with Disabilities (SSD) program and TRIO.

**EDMONDS
COLLEGE**

Turning the Tassel

Turning the tassel is the final step in a commencement. Graduates turn the tassel, fastened to the center of the mortarboard, from right to left to signify their new status.
