EDMONDS COLLEGE

Welcome to the 59th Commencement Ceremony of Edmonds College

Dr. Amit B. Singh,
President of Edmonds College

To the extraordinary Edmonds College Class of 2026, congratulations on reaching this pivotal milestone!

Your dedication and perseverance have brought you to this proud moment, but it is your curiosity that will truly define the road ahead. Today, we celebrate more than just the completion of a degree; we celebrate your transition into a world that requires constant adaptability. In an era of rapid change, your ability to embrace new challenges and pivot with purpose will be your greatest strength.

Commencement is not an ending; it is a launchpad for a future shaped by curiosity, adaptability, and lifelong learning. As you move forward, I encourage you to remain a student of the world, constantly questioning, evolving, and growing. Be the bold difference-makers our community needs, using the foundation you built here to innovate and lead.

Edmonds College remains dedicated to your success long after you leave this stage. Whether you are navigating a career transition or seeking to master a new skill, we are here for you. I encourage you to utilize our Career Action Center and other campus resources as you progress through your professional journey.

Your impact begins today, and we will always be here to support your continued growth. Congratulations, graduates, the future awaits your vision, your agility, and your lifelong pursuit of knowledge!

Land Acknowledgement

We acknowledge the Coast Salish Tribes, Bands and First Nations people including the Snohomish, Duwamish, Tulalip, Suquamish, Snoqualmie and many others and their successors, as the original inhabitants of the land where Edmonds College sits and where the diverse communities we serve live, study, and work. Since time immemorial, the Coast Salish peoples have hunted, fished, gathered, and taken care of these lands. We respect their sovereignty, their right to self-determination, and honor their sacred spiritual connection with the land and water. We will strive to be honest about our past mistakes and bring about a future of inclusive indigenous partnerships that includes their families, stories, and voices to form a more just and equitable society.

This acknowledgment only becomes meaningful when combined with accountable relationships and informed actions that support student success and community engagement. This is a first step in acknowledging our history, honoring this land, and sustaining our ongoing relations with Indigenous peoples.

Speakers

Keynote Speaker: Tyler Ekse

Edmonds College is proud to welcome alumnus Tyler Ekse as today's keynote speaker. Tyler recently graduated from the University of Washington with a bachelor's degree in history, a path that began right here at Edmonds. Through a cross-town agreement, he participated in the Air Force ROTC program at UW while completing his Edmonds coursework, eventually serving as "Raptor One," the Wing Commander of Detachment 910, leading over 100 personnel. Tyler's exceptional leadership has earned him a coveted slot in the Euro-NATO Joint Jet Pilot Training (ENJJPT) program, an elite "pilot factory" that accepts only 8–10% of applicants worldwide. He will soon join an international class representing 14 countries for intensive simulator and flight instruction. "Edmonds gave me the environment to find academic success," Tyler said. "The confidence built here became the stepping stone to bigger things."

Student Speaker: Nhi Nguyen

Nhi Phuong Nguyen is graduating from Edmonds College with an Associate in Arts in Pre-Nursing DTA/MRP. Her academic journey is a powerful testament to the transformative power of perseverance, hope, and resilience in the face of profound life changes. Arriving in the United States in 2024, Nhi initially faced steep cultural and language barriers. Navigating an unfamiliar educational system, she often felt overwhelmed and questioned her place in the classroom. However, she refused to let fear define her limits. Instead, Nhi sought inspiration from the stories of others who overcame adversity and gradually rebuilt her academic confidence.

Her journey demanded even greater strength when she simultaneously balanced the demanding responsibilities of being a full-time student, working as a Certified Nursing Assistant (CNA), and becoming a new mother. Showing remarkable grit, Nhi worked late into her pregnancy and sat for her rigorous microbiology final exam just one week after giving birth. Her daughter remains her greatest motivation. Nhi strives to model real-world persistence for her child, proving that obstacles are opportunities to grow stronger. By balancing exhausting late-night anatomy reviews with motherhood, she has redefined what responsibility means.

Nhi's unwavering dedication has culminated in a triumphant next step: she has been accepted into the competitive Bachelor of Science in Nursing program at Seattle University.

Two Students Recognized for Outstanding Leadership at 2026 Student Civic Leadership Ceremony

Aaron Slaughter (middle)

Kyersten Jenkins (right)

Edmonds College proudly celebrates Kyersten Jenkins and Aaron Slaughter as the 2026 President's Award recipients. Both were honored at Seattle's Museum of Flight during a prestigious statewide ceremony celebrating exceptional student civic leadership. In a remarkable additional distinction, Governor Ferguson selected Aaron to receive the highly coveted Governor's Award, an elite statewide honor that includes a $1,000 prize.

Aaron, managing a rigorous 20-credit load to earn dual degrees in Cybersecurity & Forensics and Network Administration, serves as a foundational pillar of campus life. As President of the Men of Color Scholars Club and a dedicated TRIO tutor, Aaron actively combats student attrition in STEM, advocates for inclusive classrooms, and researches solutions to algorithmic bias.

Pursuing her Bachelor of Applied Science in Behavioral Health Support Specialist, Kyersten transformed profound personal adversity into a blueprint for community healing. As Director of Re-Entry Services at Kate's House, she manages eight recovery homes, conducts life-saving NARCAN training, and spearheaded the "Blue House" project, which provides vital housing to reunify recovering mothers with their children.

Both extraordinary graduates embody the truest spirit of servant-leadership, utilizing their educational journeys to uplift others and build a more equitable community.

Honoring the 2026 All-Washington Academic Team

Edmonds College proudly celebrates Leonie Baker, Cadaia Lake, Dulce Reyes, and Paulina Savoie for their selection to the prestigious 2026 All-Washington Academic Team. Selected by the Phi Theta Kappa honor society, these four outstanding Transfer Pathway Scholarship recipients represent the state's top community and technical college students for their academic achievements and community service.

"Leonie, Cadaia, Dulce, and Paulina embody the resilience and ambition that define Edmonds College," said President Dr. Amit B. Singh. "Their journeys—marked by profound personal growth, leadership in the face of adversity, and a deep commitment to helping others—are truly inspirational."

Whether overcoming structural barriers, navigating immigration, or balancing parenthood with rigorous coursework, each scholar has significantly enriched our campus community. Edmonds College honors their dedication to academic excellence and ethical leadership as they represent our institution on this year's distinguished statewide team.
